WELCOME NOTE

Welcome to the Baazi Poker Tour.

PokerBaazi has always been at the forefront of promoting Poker in India and we are excited to welcome you for the Baazi Poker Tour once again in 2022. The past two years have been testing for humanity and we have been resilient and fought back to win over Covid 19. We are optimistic that the worst is behind us and we will be able to propel the game like the good old days.

The BPT festival has an exciting line up of live events spread over six days offering a wide variety of events and satellites packed in with three National Poker Series hybrid final tables culminating from National Poker Series.

We are committed to give all our patrons a superlative experience at the luxurious Majestic Pride Casino basking on the banks of the Mandovi River. We wish you the very best for the first edition of the Baazi Poker Tour in 2022 and are looking forward to unveiling the budding new champions of the game.

Sincerely,
Team PokerBaazi Live
